

# PA September ACE Movie Night

## American Cinema Evenings

미국 외교관과 함께하는 **ACE** (대사관 영화 토론) 행사 participant로 초청합니다.

**American Cinema Evenings**, hosted by the American Center of the U.S. Embassy in Seoul, provide young Koreans an opportunity to explore American culture, history and society through the medium of film. Each evening will feature a film showing and discussion in English led by an American Embassy officer. Each month's film showing will reflect a particular theme of American culture including American history, regional culture, literature, the natural environment, modern technology and lifestyles, contemporary performing arts, etc. We invite all interested young people to join us for these special evenings!

- **Theme of the Month: Diversity and Civil Society: Disability Rights**
- **Film Title: *Lives Worth Living* (2011)**

People with disabilities are one of the largest minorities in the United States, and this program is the first television history on their struggle for equal rights. The film begins in the post World War II era when the status of people with disabilities began to change rapidly. 'Lives Worth Living' is a window into a world inhabited by people with an unwavering determination to live their lives like anyone else, and a passage into the past where millions of people lived without access to schools, apartment buildings, public transportation, etc. - a way of life today's generation cannot imagine.

- **Moderator: Mr. Eric Neudel, Director**
- **Date: Wednesday, September 25, 2013 (5 – 7 P.M.)**
- **Venue: PA American Center Korea, U.S. Embassy Seoul**
